Applicant(s): ALLWOHN

Serial No.: 10/018,933

Filed:

AMENDMENT

November 10, 2005

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

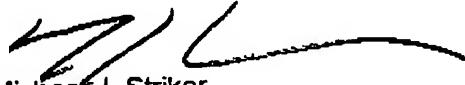

Attention: Publications Branch

The issue fee for the subject application was paid on December 8, 2004 as per
the attached copy.

However, a patent has not yet issued.

Inquiry is made as to the status of the subject application and when a patent will issue. In view of the long delay, it is believed appropriate that the life of the patent be automatically extended pursuant to the provisions of the Patent Adjustment Act.

Respectfully submitted,

Michael J. Striker
Attorney for Applicant
